DATE: March 20-22, 2020

PROGRAM COORDINATOR: Sr. Teresa Forcades

**The topic of the SINCLÈTICA SPRING LECTURES 2020 will be *THE BODY* :**

- A team of five international professors will be sharing FIVE "PEARLS" on the BODY from the perspective of literature, Bible, fine arts, theology and music
- "PEARLS" are works of art (literature, fine arts, music), theological writings or Biblical passages that the subjectivity of the professor finds particularly helpful or illuminating; **monastic wisdom has always known that experience and knowledge cannot be separated**; a key element of our master's program is that the professors will share with the students not only their expertise on the subject, but also their personal link to it
- the classes can be attended on-site at our Monastery or on-line
- registering on-line gives access to the live streaming of the classes and also to the stored videos for later viewing; during the streaming, on-line participants will be able to interact with the professors and with the on-site students (via Zoom platform)
- the language is English
- the videos will be simultaneously subtitled in English; subtitles in Catalan and Spanish will be added a week later; the videos will be available to all students during 30days
